New Ruler

By Uriel

Scenario Background

The demon Adamoth, is becoming ill and he is looking for a replacment.
you went out to his place to kill the chosen one before he become too much powerfull

Mission Goals

Kill Adamoth..Kill his replacment

Start Area

here is the entrance. good luck!

Area 1

you enter the room and you see two huge statues of dragons.
and some monsters are talking loudly about a the new lord they will have.
during the heroes turn, the overlord may attack an herowithin 2 spaces of the dragon. he rolls 1 red dice (ignoring armor)
NOTE: The statues has armor 20 and life 1 (dont tell the heroes about it)
if a hero ends his turn on the encounter marker:
the statues are a bit shaken, you can see that they have benn brokn
the statues have 4 armor and life 1 (Dont tell the heroes)

Area 2

this the corridor that leads into the main rooms

Area 3

this the room that only the chosen ones who have passed the manticore question may pass
after both enconters are gone open the red door

If a hero ends his turn on the encounter marker & the hero have more than 1 in melee trait

you push the stone back to it place (remove the pit and the rubble)

If a hero ends his turn on the encounter marker & he has more than 2 traits in Magic

with your moving spell, you brought the stone back to its place (remove both the rubble and the pit)

Area 4

only the best warriors have went through this room thier misson was to win in battle agianst the undying Ogre.
if a hero ends his turn on the encounter mark:
you found a silver crown, you wear it on you and you gain plus 1 to maximum fatige

Area 5a

this the last room

area 5b

you came too late. the demon brought the power to the manticore
the Manitcore's stats are like a demon, and the demon's stats are like the manticore (dont switch special abilties)
they both can fly.

after The Manticore is dead:

the manticore is dead you take his gold crown and put it on you (gain plus 1 armor) if you have the silver one you have to choose. Gain 1 Conquest token

after all monsters are dead

you have beaten Adamoth. you have ended your Quest

Chests

Copper:
1. 1 Curse, 1 Conquest Token, 1 Copper Treasure
2. 2 Conquest Tokens, 1 Copper Treasure
3. 2 Curses , 2 Copper Treasure

Silver:
1. 1 Curse, 1 Conquest Token, 1 Silver Treasure
2. 2 Conquest Tokens, 1 Silver Treasure
